

Hello Fellow Democrats. Happy New Year! Let's do more in '24!

I'm JULIA T. BROWN. I announced via email last month that I'm seeking election to the position of President of the FDWDAC. I won't repeat here everything I said last month in my candidate statement. I will simply add that if elected some of the areas I'd like to see us work on are as follows:

- Work with the County party on outreach throughout the county to increase the number of registered Democrats
- Get out the vote (GOTV) for local, state and federal elections up and down the ballot in 2024
- Continue to sponsor candidate forums, events, and activities that help build an informed voting community in accordance with our Strategic Plan.
- Continue to provide training for members and all interested precinct chairs on assisting candidates with winning campaigns.
- Continue to support training for potential women candidates on the processes of becoming a candidate and executing a successful campaign.

I've previously served as County Federation President and Parliamentarian and I'm currently President of the State Federation. I'm proud to be a Doña Ana Democrat and proud to have been one of the first recipients of the New Mexico Democratic Party's **KICKASS DEMOCRAT Award!**

Standing up for democracy, voting rights and human rights! I ask for your vote at our meeting on Jan 9th, 6 pm, Holy Family Church, 702 Parker Road, Las Cruces. The meeting will be hybrid-come in person or join via Zoom (link will be sent). In order to vote you must be a dues paying member. Renew on line at:
